

RTS International gearing up for more International business success

RTS Consultants International have just secured the services of Madrid based Antonio Castellano to head up their international sales drive. Antonio has over 30 years experience of automotive development and has worked extensively with brands like Ford, Volvo, Volkswagen, Suzuki, Toyota and BMW.

"We are delighted to have secured such a valuable resource and believe Antonio will drive our business forward into 2012 and beyond" commented International MD David Jordan.

Antonio will be based in our offices in Torre Europa Madrid, Messeturm Tower Frankfurt and La Defense Esplanade in Paris. He will have international responsibility for the main RTS target markets, being German, France, Spain and Italy.

He can be contacted by phoning 0034 636034506 or office 0034 914186992 or by e-mailing him at acastellano@rts-inter.com.
